Management Discussion and Analysis

In FY23, Aravali reported revenue of INR 1,46,767 crore. Net profit for the year was INR 24,095 crore. Management believes the business is well positioned for the next financial year.

Outlook: management expects demand to remain steady and will continue to invest in technology, talent and operational efficiency.

Key Financial Metrics

The table below summarises the key financial and operating metrics for the year.

Metric	FY23
Revenue (INR crore)	1,46,767
Operating margin (%)	21.0
Net profit (INR crore)	24,095
EPS (INR)	57.6
Attrition (%)	20.9
Headcount	3,43,234

Human Resources

Our total headcount at the end of FY23 was 3,43,234 employees. Voluntary attrition for FY23 was 20.9%. Attrition was elevated because of intense demand for cloud and data skills and aggressive counter-offers across the industry.

Risk Management

The principal risks identified by the Board are client concentration in North American banking, currency volatility and pricing pressure on legacy maintenance work. The Risk Management Committee reviews these risks every quarter.

Notes to Financial Statements - Related Party Transactions

Transactions with subsidiaries (Aravali BPM Limited, Aravali Digital GmbH) were carried out at arm's length in the ordinary course of business.

Independent Auditor's Report

In our opinion, the financial statements give a true and fair view. Mehta Rao & Associates LLP did not report any qualification or emphasis of matter on related party transactions.
