Aravali Infotech Limited is a listed Indian company operating in IT services. This report covers the financial year FY24 ended 31 March 2024.

Management Discussion and Analysis

In FY24, Aravali reported revenue of INR 1,53,670 crore compared with INR 1,46,767 crore in FY23. Net profit for the year was INR 26,233 crore. Management believes the business is well positioned for the next financial year.

Outlook: management expects demand to remain steady and will continue to invest in technology, talent and operational efficiency.

Key Financial Metrics

The table below summarises the key financial and operating metrics for the year.

Metric	FY23	FY24
Revenue (INR crore)	1,46,767	1,53,670
Operating margin (%)	21.0	20.7
Net profit (INR crore)	24,095	26,233
EPS (INR)	57.6	63.3
Attrition (%)	20.9	12.9
Headcount	3,43,234	3,17,240

Human Resources

Our total headcount at the end of FY24 was 3,17,240 employees. Voluntary attrition for FY24 was 12.9%. Attrition fell sharply as industry demand normalised and our new career-architecture programme gave employees clearer promotion paths.

Risk Management

The principal risks identified by the Board are client concentration in North American banking, currency volatility and pricing pressure on legacy maintenance work. The Risk Management Committee reviews these risks every quarter.

Notes to Financial Statements - Related Party Transactions

Transactions with subsidiaries (Aravali BPM Limited, Aravali Digital GmbH) were carried out at arm's length in the ordinary course of business.

Independent Auditor's Report

In our opinion, the financial statements give a true and fair view. Mehta Rao & Associates LLP did not report any qualification or emphasis of matter on related party transactions.
