Independent Auditor's Report

In our opinion, the financial statements give a true and fair view. Emphasis of Matter: We draw attention to Note 34 of the financial statements, which describes an unsecured loan of INR 1,250 crore given to Narmada Green Energy Private Limited, an entity in which a promoter-director holds a 26% stake. The loan was approved by the Board without prior review by the Audit Committee as required under Section 177 of the Companies Act. Our opinion is not modified in respect of this matter.
